MEMORANDUM

DATE: June 5, 1990
TO: Alan Altur, U.S. EPA Region V
FROM: Ted Nehrkorn, E & E/FIT TN
SUBJECT: Sites Recommended for Cease Work

During a telephone conversation between Linda Martin of U.S. EPA Region V, and Regina Bayer of E & E/FIT, on May 31, 1990, it was agreed that E & E/FIT would cease work on the following sites which had been tasked for Screening Site Inspection Work Plans. The cease work is recommended because of the absence of information on the sites in U.S. EPA and IEPA site files. The U.S. EPA CERCLIS indicates that preliminary assessments (PAs) were completed for the sites, however, the PAs and other pertinent information on the sites have not been found at the federal or state level.

The sites are:

1. Poschi Brothers
ILD980902241
Joliet/Will
2. Jensen Sound Lab
ILD059429746
Schiller Park/Cook
3. Recording and Statistical
ILD980613830
Danville/Vermilion
